

How to Explore the Terran Realm ~ Your Guide by **Rae Morgan**

In case you were wondering in what order to read the books in the Realm, reading order is selective after Bonnie Dee's second book **Fruits of Betrayal**.

I would read them this way:

- 1. Redemption** -- Keira Ramsay
- 2. Measure of a Man** -- Bonnie Dee
- 3. Fruits of Betrayal** -- Bonnie Dee

- 4. The Shimmering Flame** and **5. A Perfect Symmetry** -- Jeanne Barrack's books really take place right after the end of **Fruits of Betrayal** and can be read as stand-alones -- but definitely need to read **Shimmering Flame** first. She concentrates on a rediscovered faction of lost Irish Terrans.

- 6. Troubled Waters** -- Tiffany Aaron's book, can be read at any time, since it takes place in the TR world, but concentrates on one set of preternatural creatures (shapeshifters) alluded to in **Redemption**. Her books detail clan Najwa.

- 7. Earth Awakened** -- Rae Morgan -- Takes place right after the end of **Fruits of Betrayal** and has allusions to all the books that preceded it. My book deals with the end-time prophecy in the Book of Sorhineth and the arising of the Talisman.
